

No Longer Slaves

You unravel me, with a melody
You surround me with a song
Of deliverance, from my enemies
Till all my fears have gone
I'm no longer a slave to fear
I am a child of God

I'm no longer a slave to fear
I am a child of God

From my mothers womb
You have chosen me
Love has called my name
I've been born again, into a family
Your blood flows through my veins

I'm no longer a slave to fear
I am a child of God 4x

I am child of God
I am child of God, yes I am
I am child of God, full of faith, yes
I am child of God
I am child of God

I'm no longer a slave to fear
I am a child of God 2x

I am surrounded
By the arms of the father
I am surrounded
By songs of deliverance

We've been liberated
From our bondage
We're the sons and the daughters
Let us sing our freedom

Whoa, whoa

You split the sea
So I could walk right through it
My fears were drowned in perfect love
You rescued me and I
Stand and sing
I am child of God

You split the sea
So I could walk right through it
You drowned my fears in perfect love
You rescued me and I will
Stand and sing
I am child of God, yes I am
